The role of Kingdom Alliance is limited to providing the platform and facilitating introductions and communication between users. Kingdom Alliance does not arrange marriages and does not act as a marriage broker, matrimonial agent, counsellor, church authority, legal adviser, or guarantor of any relationship or marriage.

Kingdom Alliance does not guarantee that any user will find a suitable marriage partner through the platform. Each user remains responsible for his or her own decisions regarding communication, meetings, relationships, engagement, and marriage.

Users are encouraged to exercise wisdom and good judgement and, where appropriate, seek guidance from trusted family members, pastors, church leaders, or other responsible persons.

2. FREE-OF-CHARGE SERVICE

Kingdom Alliance has been created for the benefit of Christian believers seeking a marriage partner and is provided free of charge.

Kingdom Alliance does not charge users any registration fee, membership fee, subscription fee, profile creation fee, matchmaking fee, introduction fee, communication fee, or success fee for engagement or marriage.

Kingdom Alliance is not established as a commercial matrimonial service. Its purpose is to provide a free, faith-based platform through which eligible Christian believers may connect and consider marriage.

No person is authorized to collect any registration, membership, matchmaking, introduction, communication, or success fee on behalf of Kingdom Alliance.

Any person requesting such payment while claiming to represent Kingdom Alliance should be reported to the platform administrators.

3. ELIGIBILITY

A person must be at least 18 years of age to register for or use Kingdom Alliance.

Users must be legally eligible to marry under the laws applicable to them, genuinely seeking a marriage partner, willing to provide truthful and accurate information, and willing to use the platform consistently with its faith-based and marriage-focused purpose.

By creating an account, the user confirms that these eligibility requirements are satisfied.

Kingdom Alliance reserves the right to refuse, restrict, suspend, or terminate access where there are reasonable grounds to believe that a user does not meet the eligibility requirements or is using the platform for purposes inconsistent with its intended purpose.

This includes information relating to identity, age, marital status, photographs, location, occupation, education, family background, faith-related information, and other material details voluntarily provided through the platform.

Users must not intentionally conceal or misrepresent information that could reasonably influence another person's decision to communicate with or consider them for marriage.

Users must not impersonate another person, use another person's photographs without authorization, create deceptive or fraudulent profiles, maintain multiple accounts for misleading purposes, or falsely represent personal, professional, family, church, ministry, or other material information.

Kingdom Alliance may request additional information where reasonably necessary to support profile authenticity. Any such review does not constitute a guarantee that all information provided by a user is complete or accurate.

5. FAITH-BASED AND MARRIAGE-FOCUSED PURPOSE

Kingdom Alliance is intended for Christian believers genuinely seeking a marriage partner.

Users are expected to respect the faith-based purpose of the platform and communicate with other members honestly, courteously, responsibly, and respectfully.

The platform must not be used for unrelated commercial activities, improper solicitation, unauthorized recruitment, fraudulent activity, or any other purpose inconsistent with the objectives of Kingdom Alliance.

A user's representation regarding his or her Christian faith, church involvement, spiritual background, or personal beliefs is information provided by that user. Kingdom Alliance does not independently determine or guarantee the sincerity of a user's faith, beliefs, character, church involvement, or personal commitment.

Kingdom Alliance cannot guarantee the conduct, intentions, identity, or behaviour of any individual user.

9. VERIFICATION AND BACKGROUND INFORMATION

Unless expressly stated otherwise, users should not assume that another user's identity, marital status, employment, education, financial position, church membership, ministry role, legal history, immigration status, or other background information has been independently verified by Kingdom Alliance.

Any profile review, email confirmation, telephone confirmation, identity check, document review, or similar process undertaken by Kingdom Alliance is intended only to support platform integrity and should not be interpreted as an endorsement, certification, recommendation, or guarantee of the individual concerned.

Users remain responsible for carrying out any independent verification they consider appropriate before making significant personal or marital decisions.
